Taylor Pendrith used his power game to dominate the field and win the 2013 Porter Cup.

The 22-year-old Canadian took control of the tournament with a third-round 7-under 63 and marched to a five-shot victory at Niagara Falls Country Club. Pendrith shot 3-under 67 on the final round to finish 16-under 264, the third-best score in tournament history.

"Just to look at the names who've won this tournament, it's pretty awesome," Pendrith said. "It feels very special."

The five-shot margin was the most in six years, since future PGA Tour star Brian Harman blew away the field in 2007. Pendrith impressed Porter Cup fans with his big drives. On the par-4 sixth hole, he bombed a 357-yard drive en route to an easy birdie.

The Kent State University senior would go onto big success on the Korn Ferry Tour in 2021, which earned him a PGA Tour membership. He ranked among the top 10 on the PGA Tour in driving distance during in the 2022 season.

"He's making it look easy right now," said 2012 winner Richy Werenski, as he watched Pendrith close out the triumph. "I didn't make a single birdie today, so I thought the course was tough. He's playing it pretty darn good."

Werenski would go onto win the PGA Tour Barracuda Championship in 2020.

Texas A&M's Tyler Dulap placed second at 11-under. Future PGA Tour pros Denny McCarthy, Max Homa and Beau Hossler were among the top 12.
